

Membership Application Form

Thank you for your recent enquiry.

Ayrshire Arts Network's **aim** is to raise the profile of all arts in the area, to identify and represent the needs and wishes of artists and audiences alike and to generate a more dynamic and active cultural environment.

Objectives

- * To encourage, support and develop long term and strategic planning for the arts in Ayrshire
- * To liaise with the amateur, voluntary and professional organisations and practitioners within the arts, and other relevant sectors
- * To locate arts practitioners in the area and create and maintain a database
- * To encourage and develop networking and training opportunities
- * To ensure that the needs and wishes of audiences and participants in the arts are represented
- * To improve facilities for the arts in Ayrshire including arts centres and studio provision/ facilities for practitioners
